

## **CONSIGNOR'S TERMS & CONDITIONS OF SUPPLY**

### **NO GOODS WILL BE ACCEPTED WITHOUT PAPERWORK**

All stock delivered is to be accompanied by a delivery docket or invoice stating quantity, item code, item description & reserve price or unit price.

All delivery dockets are to be checked off by AuctionsRus staff & signed by both parties before the Consignor leaves our premises.

All stock delivered on Consignment is to be unpacked & assembled by the Consignor unless otherwise arranged.

All stock is to be delivered & assembled 3 days prior to the sale between 8am and 4pm. Any stock arriving after this time will not be received unless prior arrangements are made

AuctionsRus accepts no liability for goods left on Consignment. All stock must be insured by the Consignor.

All damaged stock is to be returned unless the Consignor agrees to sell unreserved.

AuctionsRus will provide a stock report with each invoice however stock control remains the responsibility of the Consignor.

AuctionsRus reserves the right to return stock if it deems it be unsaleable.

All stock must be free from encumbrances.

Consignor payments will be dispatched within 7 working days of the Auction.

If an estimated reserve has been agreed on by both parties AuctionsRus will try to sell these stock items over two auctions. We retain the right to sell unreserved at the third auction unless agreed by both parties.

We Guarantee lowest possible prices, if we are approached on a similar priced product at a lower price we will drop the reserve to guarantee the sale and the customer's level of service.

As part of our ongoing service to our customers we will only except stock of good to high quality

All reserves are used as a guide only

From time to time consignors will be asked to participate in promotional activities

Any stock that is sold must be new and in good order to insure returns are minimal, as we reserve the right to swap stock that is deemed to be faulty or not correctly described

Terms and Conditions of supply may vary from time to time
